

## Cherry MX Lock (Unlocking)

Last Update: 09/14/2022

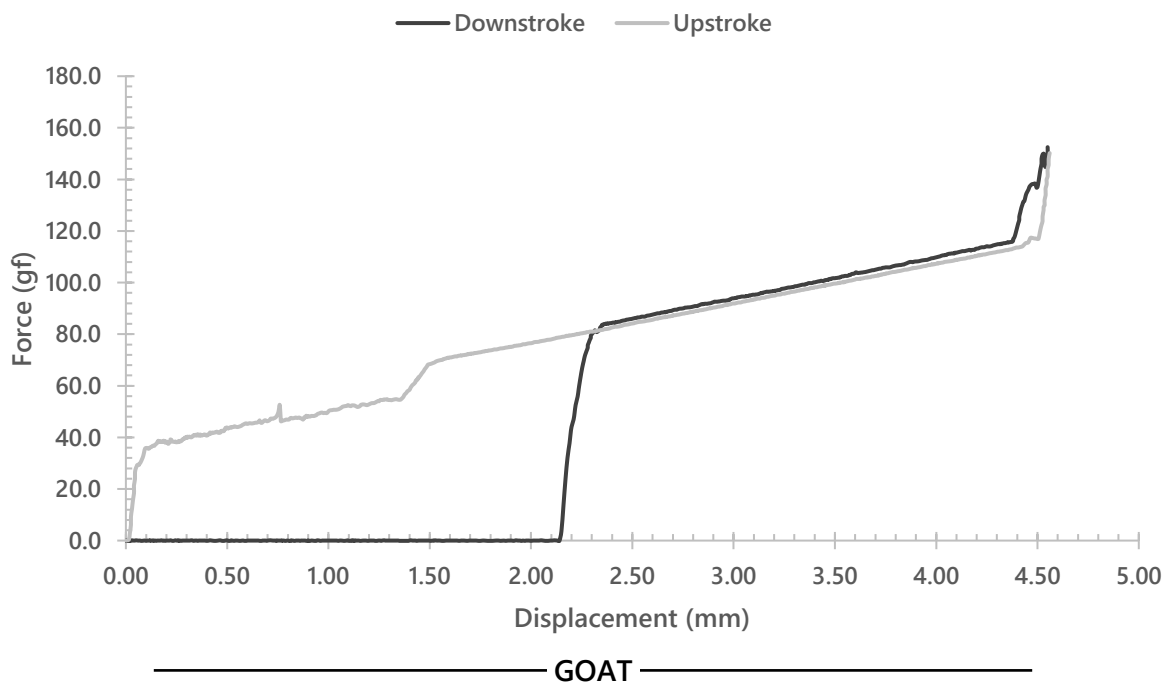

### Cherry MX Lock (Unlocking)

Switch Type: Lock	Cherry
Total Stem Travel	4.510 mm
Peak Force	141.7 gf
Bottom Out Force	141.7 gf
# of Upstroke Points	937
# of Downstroke Points	825

### Testing Notes

- I don't know if one of them exists out there, but I've never seen a force curve of a Cherry MX Lock before, and I find this absolutely fascinating. Note in the downstroke the shortened distance in which force is actually present is due to the stem starting from the partially depressed, locked position.
- Also see the Cherry MX Lock (Locking) force curve, as well.
