

Togar Ice and Snow

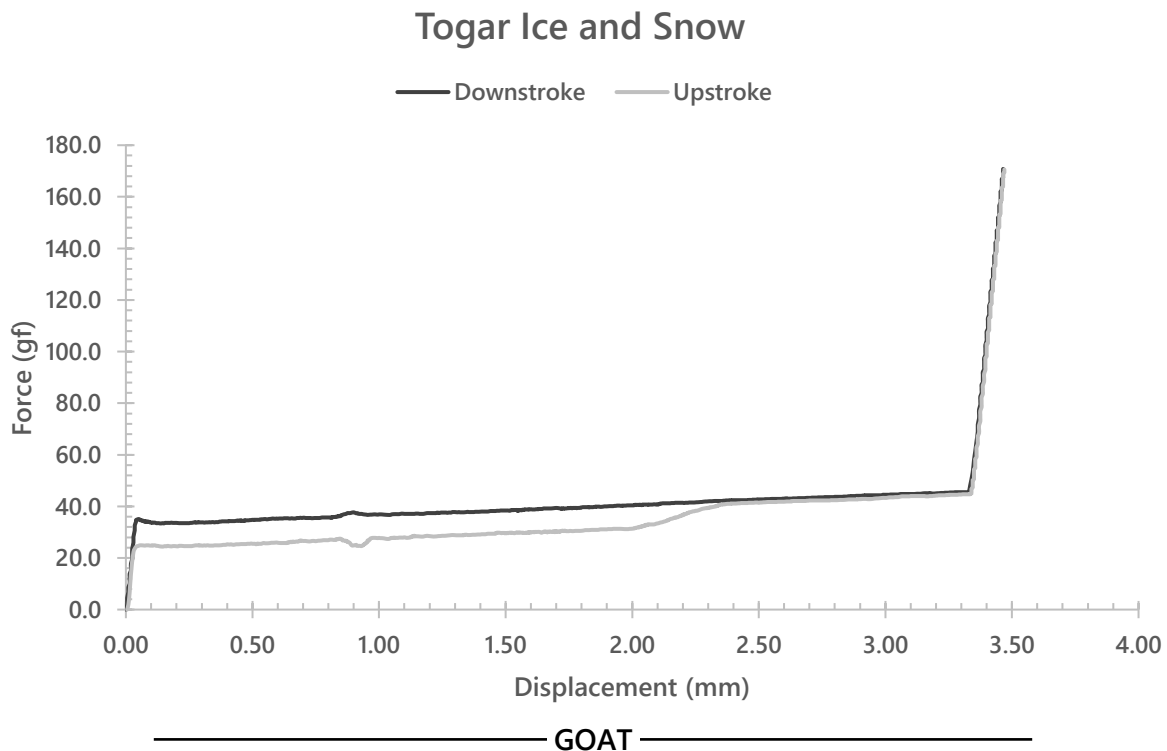

Last Update: 12/22/2024

Togar Ice and Snow	
Switch Type: Linear	Unknown
Total Stem Travel	3.330 mm
Peak Force	45.7 gf
Bottom Out Force	45.7 gf
# of Upstroke Points	1098
# of Downstroke Points	1014

Testing Notes

- While it's not all that uncommon to see small bumps in the force curves for linear switches, it's quite rare to see it mirrored in both upstroke *and* downstroke curves. Despite not feeling them in the in-hand testing of these switches, they clearly must be due to something in the internal construction of the switch to be mirrored like this.
