

## Clickiez 40g (Linear)

Last Update: 07/10/2022

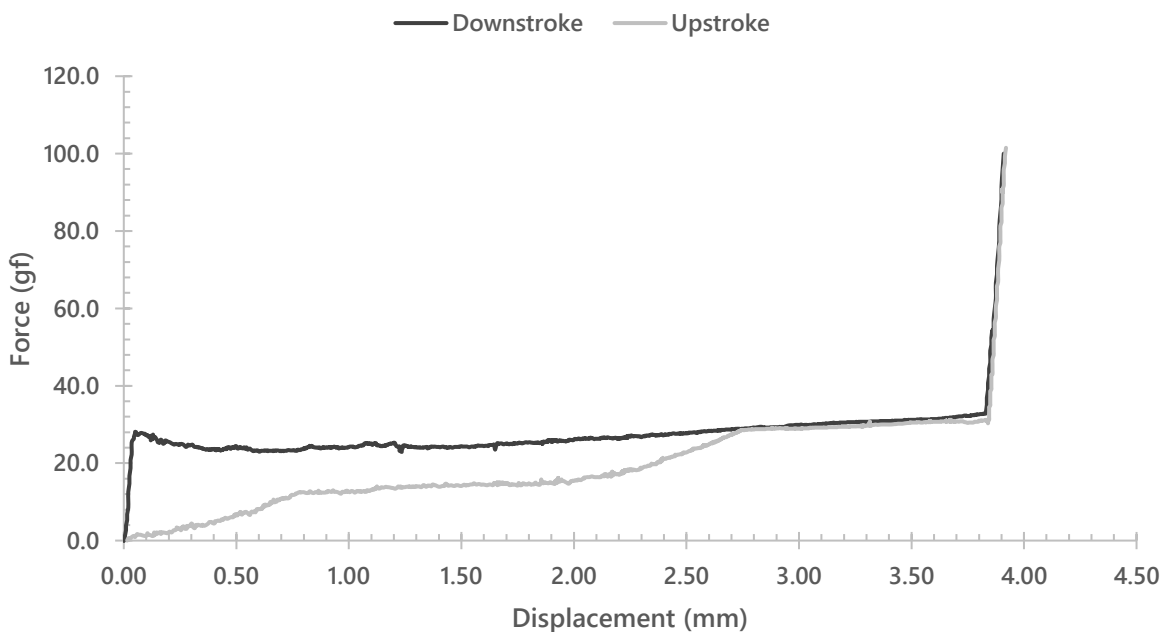

Clickiez 40g	
Switch Type: Linear	Gateron
Total Stem Travel	3.830 mm
Peak Force	33.0 gf
Bottom Out Force	33.0 gf
# of Upstroke Points	1484
# of Downstroke Points	1441

### Testing Notes

- The topping out of the Clickiez switches is quite strange. I've not seen a linear switch before that not only has two dips in force, but one that decreases to nearly zero force at the very top of the switch in the upstroke.
