

# Blaeck

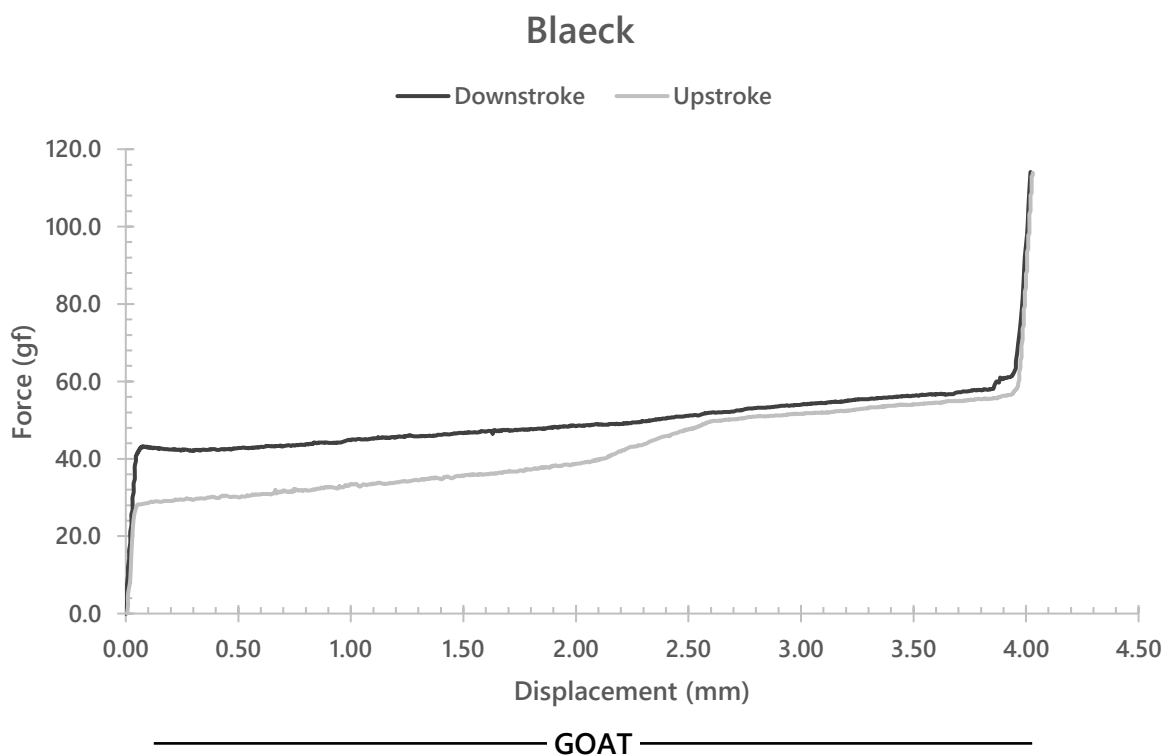

Last Update: 08/10/2022

Blaeck	
Switch Type: Linear	Tecsee
Total Stem Travel	3.945 mm
Peak Force	62.1 gf
Bottom Out Force	62.1 gf
# of Upstroke Points	1295
# of Downstroke Points	1280

## Testing Notes

- Data points 2080-2109 were removed from the upstroke force curve due to clear data artifact that was not actually present in the switch's feeling.
- While strange features around the bottoming outs of switches are far from uncommon, this little hill-like bump in the downstroke of the Blaecks is certainly a bit strange.
