

Clickiez 75g (Clicky) Test 2

Last Update: 07/10/2022

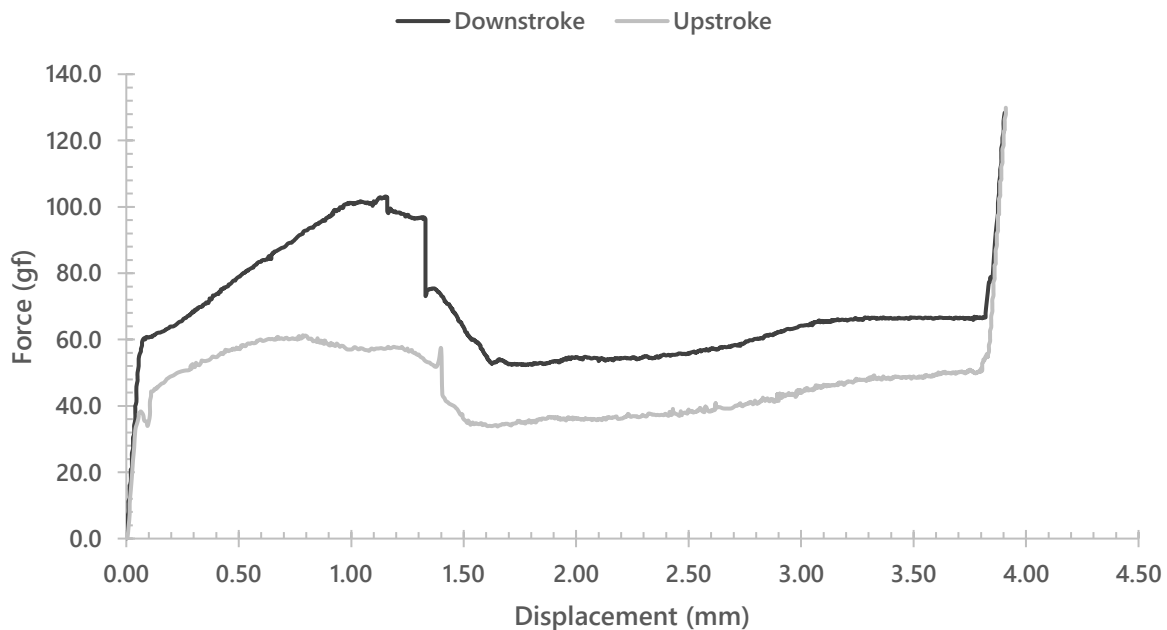

Clickiez 75g	
Switch Type: Clicky	Gateron
Total Stem Travel	3.840 mm
Peak Force	103.1 gf
Bottom Out Force	77.4 gf
# of Upstroke Points	1472
# of Downstroke Points	1447

Testing Notes

- Data points 2471-2493 were removed from the upstroke force curve due to clear data artifact that was not actually present in the switch's feeling.
- While smaller than the gap for the 40g Clickiez switches, the constant force difference between the up and downstrokes is both odd and something I've not seen outside of Clickiez switches prior.
