

Novelkeys Cream Arc

Last Update: 05/29/2022

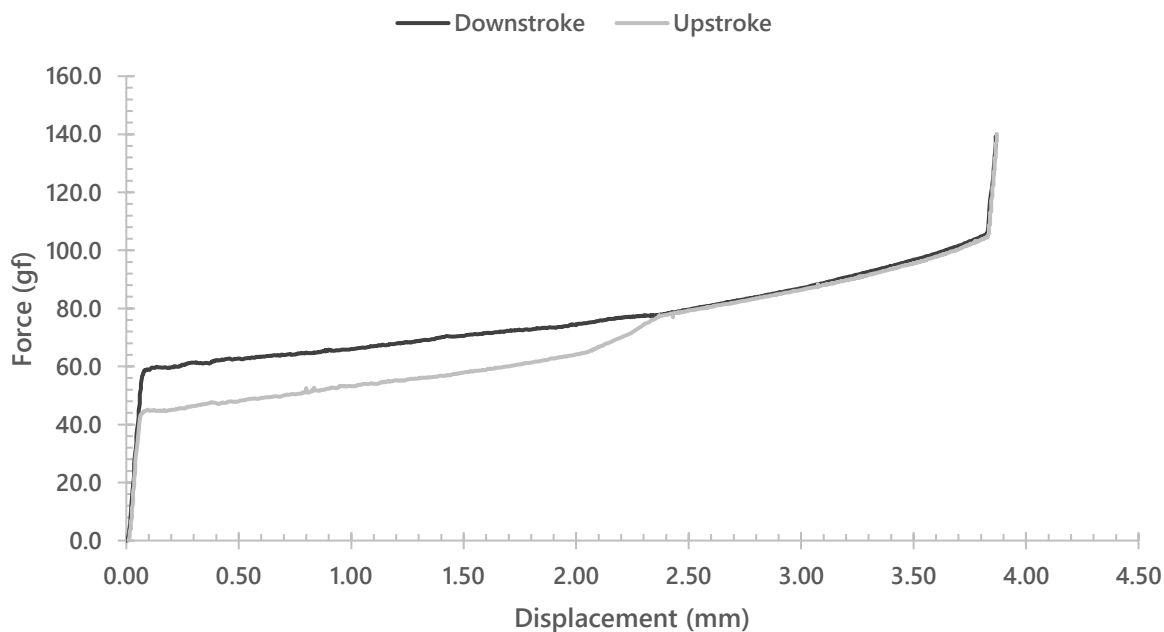

Novelkeys Cream Arc	
Switch Type: Linear	Kailh
Total Stem Travel	3.850 mm
Peak Force	122.5 gf
Bottom Out Force	122.5 gf
# of Upstroke Points	1003
# of Downstroke Points	1031

Testing Notes

- There are two rather interesting points worth noting about the curve of the Cream Arcs. First, these have a significantly higher bottoming out force ~120 gf than most modern linear switches. Secondly, there is a pretty constant upward 'curve' to the force diagram, which is commonly not there in most linear switches.
- There were no testing/data recording issues with this switch.
