

Outemu Ocean Silent Linear

Last Update: 08/03/2022

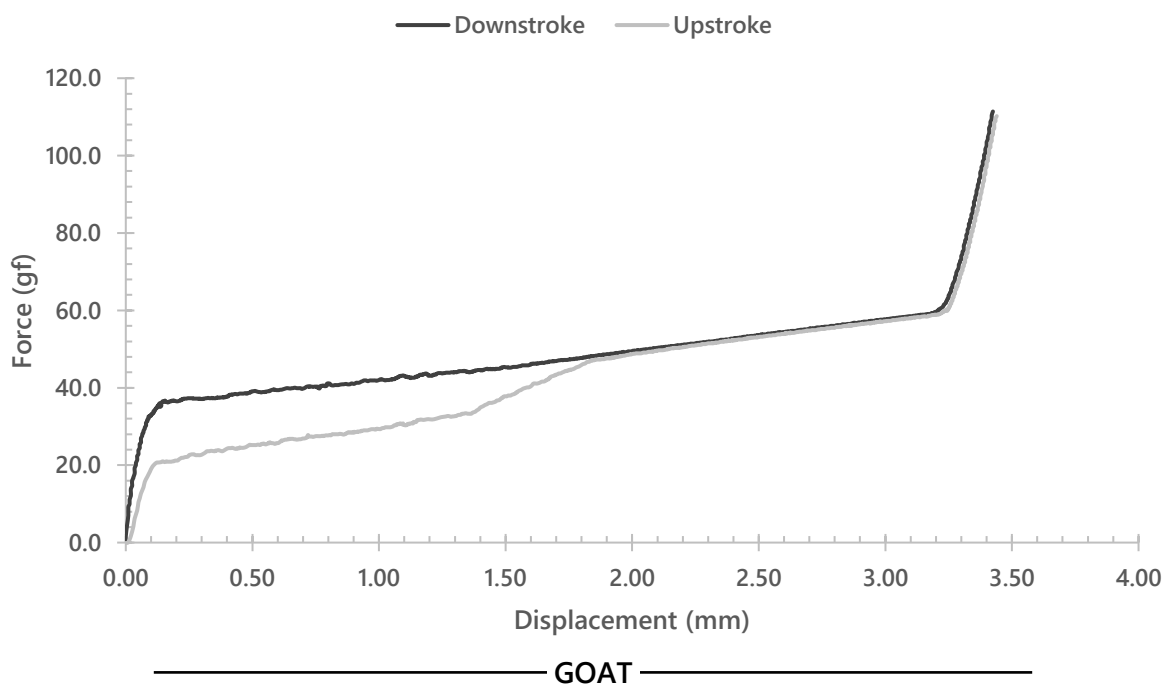

Outemu Ocean Silent Linear

Type: Silent Linear	Outemu
Total Stem Travel	3.265 mm
Peak Force	66.0 gf
Bottom Out Force	66.0 gf
# of Upstroke Points	1042
# of Downstroke Points	1100

Testing Notes

- The ends of both the downstroke and the upstroke are surprisingly rather crystal clear in showing the dampening pad effects due to the silencing mechanism. Whereas this might feel 'squishy' in hand, it shows a pretty steady progression in force as one bottoms out through such.
