

## Novelkeys Cream Clickie

Last Update: 02/12/2023

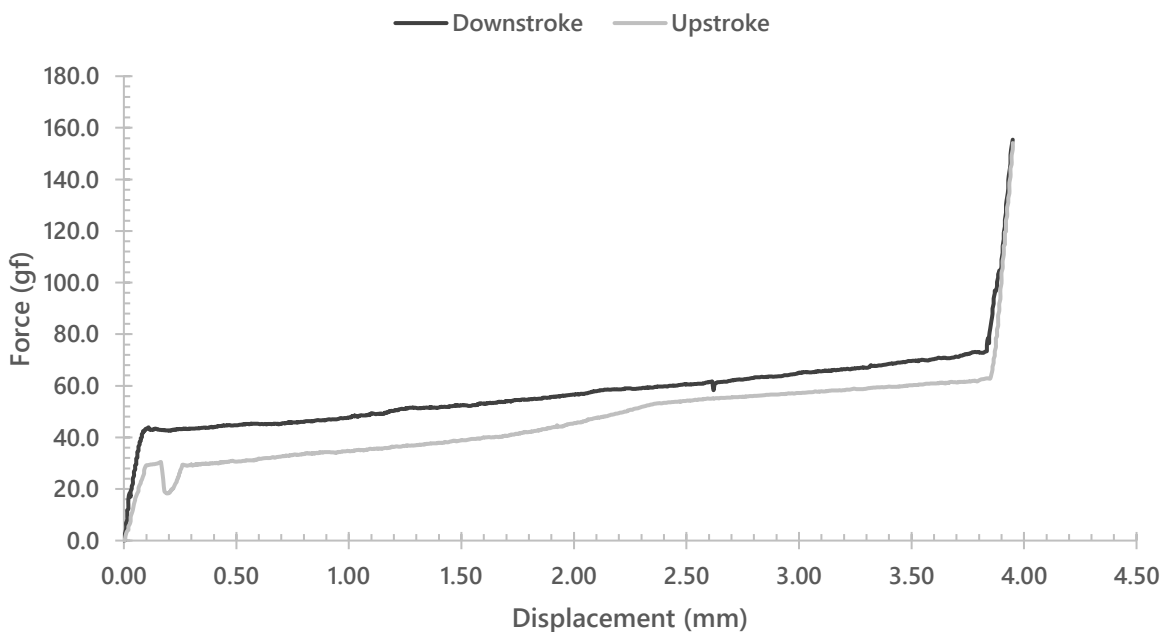

### Novelkeys Cream Clickie

Switch Type: Clicky	Kailh
Total Stem Travel	3.835 mm
Peak Force	73.5 gf
Bottom Out Force	73.5 gf
# of Upstroke Points	1154
# of Downstroke Points	1326

### Testing Notes

- These look absolutely nothing like any clicky switch I've ever seen from a force curve perspective. The small blip downwards in the downstroke is where the actual clicky event registers – being both negative in force and almost unrecognizable on the plot. The strop dip in force in the upstroke, too, is also rather strange.
