

## Gateron Camping

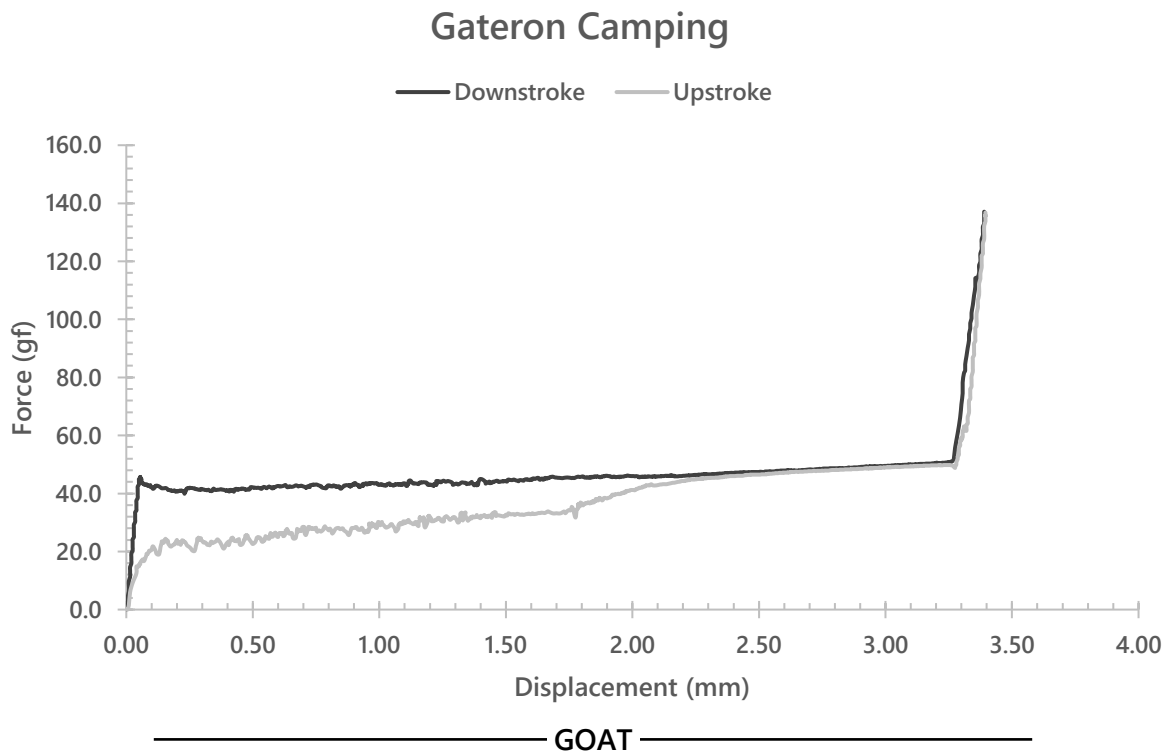

Last Update: 10/12/2022

Gateron Camping	
Switch Type: Linear	Gateron
Total Stem Travel	3.260 mm
Peak Force	51.2 gf
Bottom Out Force	51.2 gf
# of Upstroke Points	1196
# of Downstroke Points	1226

### Testing Notes

- While this certainly has the expected overall shape of a linear force curve, the downstroke is *incredibly* more noisy than the vast majority of linear switches which I've made force curves of thus far.
