

## Skyloong Brown Iceberg

Last Update: 04/23/2023

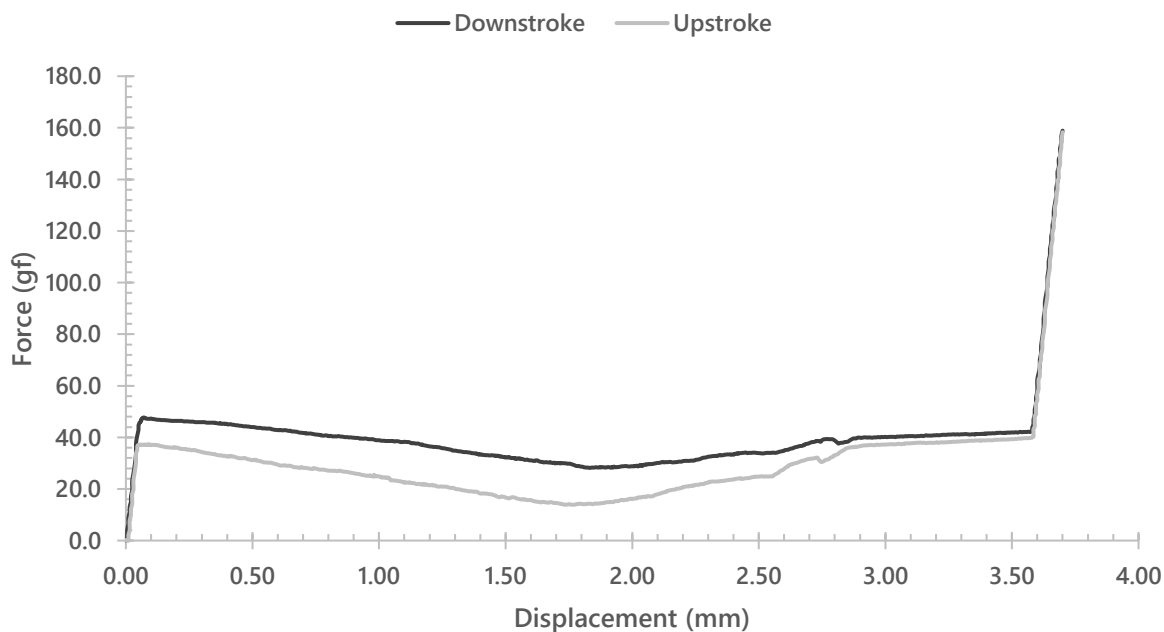

### Skyloong Brown Iceberg

Switch Type: Tactile	Haimu
Total Stem Travel	3.575 mm
Peak Force	47.7 gf
Bottom Out Force	42.2 gf
# of Upstroke Points	754
# of Downstroke Points	802

### Testing Notes

- Even though this switch is a tactile one in feeling, the general force curve shape for a tactile switch is a bit absent here. Traditionally, start-of-downstroke tactiles have some greater degree of curvature to their tactile bump then what is seen here.
