

Epomaker Budgreigar

Last Update: 11/23/2022

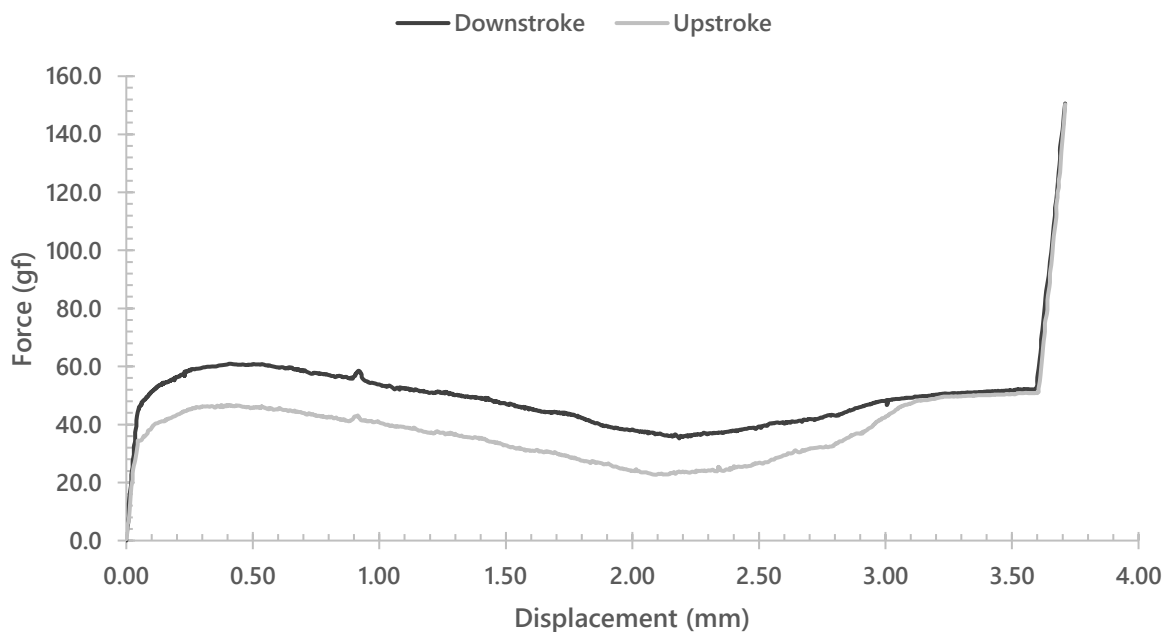

Epomaker Budgreigar	
Switch Type: Tactile	Haimu
Total Stem Travel	3.595 mm
Peak Force	60.8 gf
Bottom Out Force	52.2 gf
# of Upstroke Points	967
# of Downstroke Points	1246

Testing Notes

- By all considerations and appearances, a fairly normal tactile force curve on the large scale, though the strange peak in force around 0.800 mm appears to be a function of the switch and not an error given that it is identically present in both downstroke and upstroke.
