

Clickiez 75g (Tactile) Test 3

Last Update: 07/10/2022

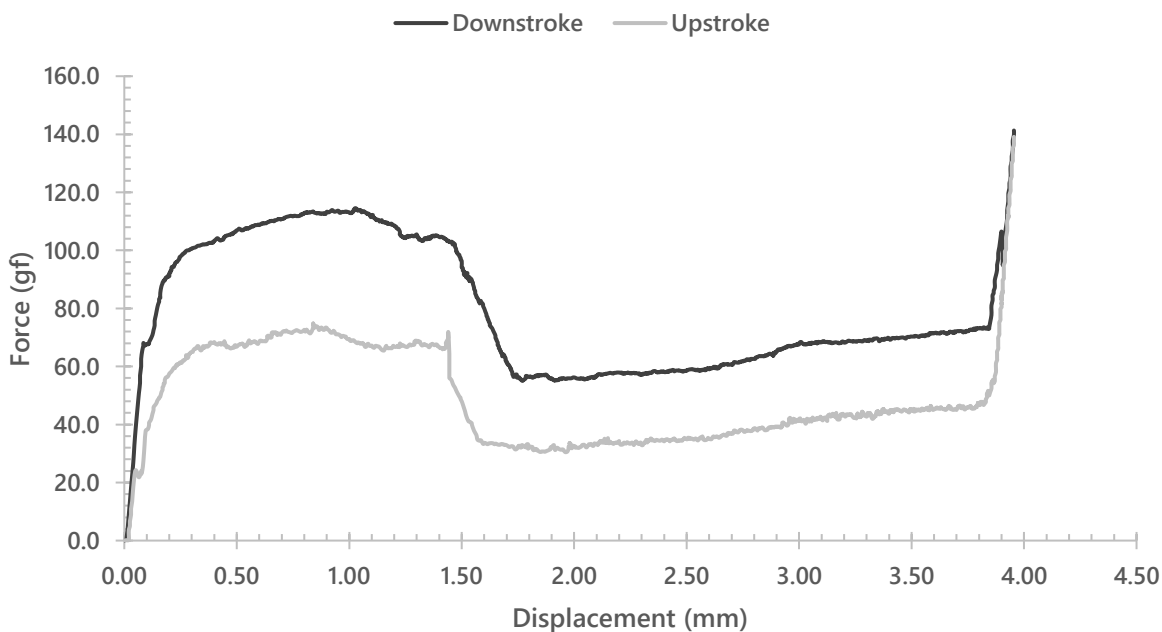

Clickiez 75g	
Switch Type: Tactile	Gateron
Total Stem Travel	3.845 mm
Peak Force	114.5 gf
Bottom Out Force	73.4 gf
# of Upstroke Points	1603
# of Downstroke Points	1491

Testing Notes

- Data points 2325-2350 and 2365-2383 were removed from the upstroke force curve due to clear data artifact that was not actually present in the switch's feeling.
- The constant force difference between the upstroke and downstroke throughout the entirety of the strokes is something both strange and that I've not seen outside of Clickiez switches.
