

## Clickiez 75g (Linear)

Last Update: 07/10/2022

Clickiez 75g	
Switch Type: Linear	Gateron
Total Stem Travel	3.765 mm
Peak Force	63.5 gf
Bottom Out Force	63.5 gf
# of Upstroke Points	1184
# of Downstroke Points	1628

### Testing Notes

- Interestingly, the 75g Linear Clickiez look much more like normal linear switches than the 40g variants. There is not only not a zero-gram return force at the end of the upstroke, but there is also not a second dip in force at the ending stage of the upstroke unlike the 40g variants.
